Aero Sekur Parachute Jump Team Preview PR

Issue date: 25.06.08

Aero Sekur Shooting Stars – The first all female parachute jump team to perform at Farnborough

The *Aero Sekur Shooting Stars*, the first all female parachute jump team to appear at Farnborough, will perform an impressive synchronised parachute jump to open the flying display on each day of the 2008 airshow.

At Farnborough 2008, the girls will jump from a twin engine Highlander plane from 2,500 metres. With an impressive combined record of over 11,000 jumps, the Aero Sekur Shooting Stars parachute jump team will wear suits specially designed for the airshow. The girls, who are all Italian, will jump in a star formation, they will carry flags and, using smoke bombs, will produce striking sky trails.

Enzo Muro, manager of the Aero Sekur Shooting Stars parachute team is a highly experienced parachutist who is also manager of Aero Sekur's parachute rigging department. Enzo, who has been parachuting since 1995, will follow the girls to film the sky dive display on a Sony PC8 Digital Video camera.

The Aero Sekur Shooting Stars parachute team will be available to sign autographs after each jump. Additional copies of the team's autographed material will be available from the Aero Sekur stand (D8 – Hall 4).

Aero Sekur, is a global supplier of equipment, components and services for the aerospace, safety/survival and defence industries. With a strong track record demonstrating innovation on an international scale, Aero Sekur's key strength is in the application of advanced materials technology.

Footnote:

The members of the Aero Sekur Shooting Stars parachute jump team are:

Maria Cristina Angelucci – age 31, 4700 jumps Alessandra D' Annibale – age 32, 3000 jumps
Eva Tusset – age 29, 3000 jumps Simona Minghetti – age 31, 700 jumps
